S.B. 35	Differentiated Pay for Teachers–Howard A. Stephenson	Yes	No Request					<p>This bill would appropriate \$7,000,000 from the USF to the SBE to supplement the salary of qualifying math and science teachers outlined in the bill. Estimates indicate that 1,443 FTE educators may qualify for the salary supplement provided in the bill. The cost to provide a \$5,000 annual salary supplement to each teacher equals \$6,212 per FTE to cover the \$5,000 gross salary itself plus salary driven employer paid benefits such as retirement, Social Security, Medicare, and Worker's Compensation. Therefore, the cost to fully implement the provisions of this bill is estimated at \$8,964,000 per year. This bill will benefit educators that qualify for the salary supplement outlined in the bill.</p>

S.B. 41	Extended School Year Incentive–Howard A. Stephenson	Yes	No Request					This bill appropriates \$32,000,000 one-time from the USF to the SBE to provide incentives to local school districts to convert to an extended year calendar. The state grants provide offsets to selected school district for one-time costs associated with converting to an extended school year. School districts opting to convert to an extended year schedule may see increased ongoing costs associated with increased employee compensation, particularly retirement and social security. Teachers in the converting school districts may benefit through increased compensation.

The bill contains a coordinating clause which supercedes the ongoing base budget supporting the Capital Outlay Foundation Program and the Enrollment Growth Program of \$27,288,900 with a total of \$56,000,000 for both programs, of which \$33 million is allocated for the Capital Outlay Foundation Program and \$23 million for the Capital Outlay Enrollment Growth Program. Enactment of this bill may result in increased revenue allocations to school districts that qualify to receive Capital Outlay Foundation and Capital Outlay Enrollment Growth revenues. A school district that receives a higher state fund allocation under the capital outlay programs must reduce its certified property tax rate by the increase it received in allocating new ongoing state funding.

S.B. 48 S2 (Continued)	Equalization of School Capital Outlay Funding–Senator Dan Eastman (Continued)							Enactment of this bill may also result in additional school districts qualifying for program revenues. Bill provisions increase the property tax threshold rate that school districts may impose to receive a full distribution of state funds supporting the capital outlay programs. Districts that meet or exceed the new rate will receive a full allocation, those districts that do not meet the new rate may see a pro-rata allocation based on their participation level. Enactment of this bill requires school districts located in counties of the first class to levy a capital outlay property tax rate in order to receive state funding appropriated to the Minimum School Program - Basic School Program. Revenue generated from the required capital outlay property tax rate is combined and allocated by the county treasurer based on the formula outlined in the bill. A school district that receives a greater allocation of combined revenues than their tax rate produces must decrease its certified capital outlay property tax rate by the increased allocation amount. The certified capital outlay property tax

It may require additional SBE staff time to verify test scores and issue diplomas which would require some changes in job priorities among staff. The bill may also result in some private and home school students seeking to take the Utah Basic Skills Competency Test, each additional test costs approximately \$11. Enactment of this bill may result in public school students meeting diploma requirements prior to their senior year in high school. Students that exit the public school system prior to their intended date of graduation may result in some savings to the MSP associated with fewer students receiving WPU funding. Enactment of this bill may result in qualifying public school students seeking fee waivers for ACT administration fees.

Waddoups	Yes	8 Feb 2008		Cathy	11 Feb 2008	(REVISED) \$6,200,000 for FY 2010 Calculation	Enactment of this bill will require an appropriation of \$6,700,000 in FY 2010 and each year thereafter for a total of ten years from the General Fund to the newly created School District Division Capital Equalization Fund. It is not known how many school districts will split in the future. If more school districts split, the ten year process begins again, and the annual appropriation from the General Fund would be split among the qualifying school districts. Qualifying school districts will experience increased revenue for capital outlay. Individuals or businesses residing within the boundaries of the qualifying school districts may see a decrease in capital outlay property tax.
